

# 2-DAY 25-MILE JOURNEY

# HONORING THE FALLEN

SEPTEMBER 15-17  
ST. CHARLES, IL

## What & Why

COPSWALK Midwest brings together survivors, friends and members of the law enforcement community to walk 25 miles in 2 days in honor of their officer. Proceeds from this event help fund C.O.P.S. Hands-On Programs for family members and co-workers of fallen officers.

## Training

Our 25-mile journey will be challenging, even for those who are completely prepared. Please take your training seriously, but don't be intimidated. You can do this! The more you train, the more energy you will have left to enjoy the experience.

## Trail Support

While we appreciate the desire for moral support, only the fundraising walkers will be accommodated at the hotel.
