

You Can Help Build the "Road to Hope"

Opening the door into the C.O.P.S. National Office, visitors will step out on the "Road to Hope." It will be built with 8 x 8 inch engraved tiles purchased by those who want to support the Capital Campaign at the \$1,000 level. A personal message of 20 characters on a maximum of six lines engraved on tiles will fill the main hallway that will lead to the courtyard within the building.

There will be 300 of these tiles available for sale and the deadline for ordering them will be January 29, 2017. Two payments of \$500 can be arranged. This early deadline will allow the contractor to build the "Road to Hope" as soon as construction allows.

"Road to Hope" Tile Order Form

Deadline: 1/29/2017

Message to be lasered on tile:

<input type="checkbox"/>																			
<input type="checkbox"/>																			
<input type="checkbox"/>																			
<input type="checkbox"/>																			
<input type="checkbox"/>																			
<input type="checkbox"/>																			

Logos can be added to the tile but will greatly reduce the number of allowable characters on the tile.
Call (573) 346-4911 to talk with the Development Office about adding a logo.
